In the Matter of the
Re-Licensing Petition of

JAMES A. HUDDY, Ph.D.

To Practice Psychology in
the State of New Jersey

FILED WITH THE BOARD OF
PSYCHOLOGICAL EXAMINERS
ON April 23, 1998

CERTIFICATION OF DIANE VALERI

DIANE VALERI hereby certifies that:

1. I am employed as a part-time secretary by Associated Diagnostic & Treatment Center, Inc., and have been so employed since 1993. Dr. James A. Huddy is my supervisor.

2. When the Superior Court of New Jersey entered an Order in approximately January 1997 restraining Dr. Huddy from any form of psychological or psychoanalytic practice, I, together with another clerical worker in the office, was assigned the responsibility of communicating with Dr. Huddy's patients about the Order. Dr. Huddy directed us to send a copy of the letter attached as Exhibit A to each of his patients. The letter advised the patients of Dr. Huddy's status and provided the names of potential replacement therapists. The only patients to whom this letter was not to be sent were those who called the office prior to the letter being mailed. When that happened, my co-worker and I were supposed to provide to the telephoning patients the substance of the information conveyed in the letter.

3. Thus, all of Dr. Huddy's patients were notified of his status by mail or by phone. After the letter was sent, my co-worker and I were additionally charged with the responsibility of fielding telephone calls from patients seeking additional information or clarification.

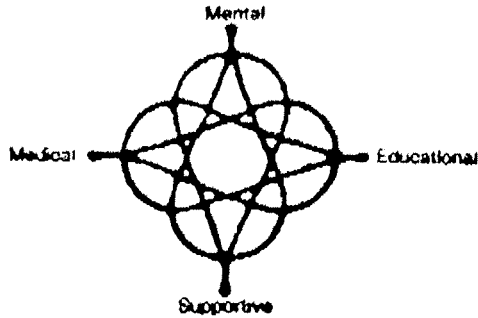

4. Some time in early 1997, my co-worker and I prepared a list reflecting the results of our communications with Dr. Huddy's patients and the responses we had received from those patients. A copy of that list is annexed as Exhibit B.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are wilfully false, I am subject to punishment.
